

REMARKS

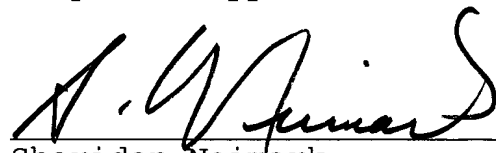

Applicant repeats by reference the Remarks of the Reply filed September 10, 2004. New claim 11 is added above, support being found at page 12, lines 20-22 and at page 11, lines 30-32. New claim 11 is patentable for the same reasons as the other claims as pointed out in the Reply of September 10, 2004.

Applicant again respectfully requests favorable consideration and allowance.

Respectfully submitted,
